RECOGNIZING DONNA FIALA IN HONOR OF WOMEN'S HISTORY MONTH

HON. MARIO DIAZ-BALART

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 7, 2017

Mr. DIAZ-BALART. Mr. Speaker, in honor of Women's History Month, I rise today to honor Donna Fiala. Her service as Collier County Commissioner has had major impact in Southwest Florida.

Upon moving to Collier County, Ms. Fiala got involved in her community right away. She joined the Naples Junior Woman's Club, the Marco Island Kiwanis Club, the Marco Island Chamber of Commerce, the Naples Press Club, and the Marco Island Historical Society. She now holds leadership positions in many of these organizations, and several others.

Ms. Fiala decided to run for the office of President of the East Naples Civic Association, where she worked to improve her community by adding picnic benches, a playground, a ball field, and outdoor lighting. Her experiences as President influenced her decision to run for Collier County Commissioner.

As Commissioner, Ms. Fiala has represented Collier County and the State of Florida for issues pertaining to the environment and safety in discussions with the National Association of Counties, and has served as chair of the Local Coordinating Board for the Transportation Disadvantaged, which works to increase access to transportation for those who are unable to drive.

In May of 2015, the Donna Fiala Community Center at Eagle Lakes Community Park opened in East Naples. This community center serves as a safe place for children and families to gather for events and various activities. Commissioner Fiala's commitment to helping children and adults live healthy lives has continued. She is currently working to expand the facilities at the park to include a swimming pool complex. This facility reflects her longtime interests in healthy living and improving the appearance of her community.

Commissioner Fiala's work has improved the lives of many in Collier County. The depth and breadth of her service is nothing short of remarkable. Throughout my time in Congress representing Collier County, I've always found Commissioner Fiala to be a dedicated partner

as we've worked for the betterment of the Southwest Florida community. I am lucky to be able to collaborate with such a hard working woman who cares so deeply about her community.

Mr. Speaker, I am privileged to know Commissioner Fiala and I greatly admire her service to Collier County. Donna is an exemplary example of a private citizen who has chosen to use her many talents in service of those around her. I ask my colleagues to join me in recognizing this remarkable individual.

RECOGNIZING MALI GARDNER IN HONOR OF WOMEN'S HISTORY MONTH

HON. MARIO DIAZ-BALART

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 7, 2017

Mr. DIAZ-BALART. Mr. Speaker, in recognition of Women's History Month, I rise today to honor Mali Gardner, a remarkable individual and public servant in Florida.

Ms. Gardner was first elected to the Clewiston City Commission in October of 1999 and was reelected in 2003, 2008, and 2012. Ms. Gardner's work extends far beyond her important role on the Clewiston City Commission. In 2001, Ms. Gardner was appointed Mayor of Clewiston, where she served until 2010, and was elected Mayor once again in December 2016. Her tireless efforts on behalf of the public led her to become part of Governor Rick Scott's Economic Development Transition Team, where she worked to extend economic opportunities to Floridians across the state.

Ms. Gardner's public service extends beyond her work on the Clewiston City Commission or her mayoral activities. Ms. Gardner is a Paul Harrison Fellow in the Clewiston Rotary Club. As a graduate of Clewiston High School, her commitment to the Clewiston community runs deep. Whether it is fighting for better schools or more economic opportunities for residents of Clewiston, it's a safe bet that Ms. Gardner is standing up for her constituents and neighbors.

I have been privileged to work with Mali in her capacity as mayor, and been impressed time and again with her work ethic and devotion to her community.

Mr. Speaker, I am privileged to know Ms. Gardner and I greatly admire her service to the community. I have known Mali for many years, and she has consistently been among the most active, positive, and fore thinking individuals I have been privileged to work with.

INTRODUCTION OF THE DOG AND CAT MEAT TRADE PROHIBITION ACT OF 2017

HON. ALCEE L. HASTINGS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 7, 2017

Mr. HASTINGS. Mr. Speaker, I rise today to introduce the Dog and Cat Meat Prohibition Act of 2017, legislation that will prohibit the slaughter and trade of dogs and cats for human consumption in the United States. It might surprise you to learn that consumption of dogs and cats is still legal in 44 states in our nation, where there are no laws prohibiting the purchasing, shipping, transporting, selling, or donating of dogs or cats to be slaughtered for human consumption. This bill will prohibit these actions and impose penalties to ensure that individuals involved in the dog or cat meat trade are held accountable.

The United States' position on this cruel and brutal practice should be unequivocal: dogs and cats should not be killed in this country for the consumption of their meat. It is with utmost importance that the United States unifies animal cruelty laws in all 50 states and explicitly bans the killing of dogs and cats for human consumption.

Mr. Speaker, I hope this body will expeditiously pass this measure. Doing so will reaffirm America's commitment to the humane treatment of our most beloved companions.

RECOGNIZING PATRICIA ANDRADE IN HONOR OF WOMEN'S HISTORY MONTH

HON. MARIO DIAZ-BALART

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 7, 2017

Mr. DIAZ-BALART. Mr. Speaker, in recognition of Women's History Month, I rise today to honor Patricia Andrade, an activist and advocate for victims of Venezuela's oppressive regime.

Ms. Andrade has been recognized as a tireless advocate for Venezuelan exiles arriving in South Florida. After witnessing waves of Venezuelans fleeing persecution, Ms. Andrade founded the non-profit organization Venezuela Awareness. This organization has identified the needs of families fleeing persecution and worked to address them. This includes finding living arrangements, arranging for daily needs, and securing legal assistance.

One of the initiatives of Venezuela Awareness is called Raíces Venezolanas, Venezuelan Roots. This program gives donated goods to displaced Venezuelan families. By involving other families, whether of Venezuelan origin or not, this initiative creates a sense of community involvement in these families' lives.

Currently, Ms. Andrade serves as Human Rights Director for Venezuela Awareness and issues annual reports detailing the human rights violations of the Venezuelan government. Her work on human rights abuses in Venezuela has been used by the Department

of State, and her advocacy has allowed some cases to be presented to the Inter-American Commission for Human Rights and the Inter-American Court of Human Rights in Costa Rica. My office trusts her information and relies on her to keep us abreast of grave human rights violations under the Chavez and Maduro regimes.

Mr. Speaker, I am honored to know Ms. Andrade and to recognize her remarkable work for Venezuelan exiles and for the State of Florida. Her tireless advocacy on behalf of those without many resources is admirable and has made a real impact on many. I ask my colleagues to join me in recognizing this remarkable woman.

HONORING TERRY LYNCH

HON. PETER J. VISCLOSKEY

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 7, 2017

Mr. VISCLOSKEY. Mr. Speaker, it is with great pleasure that I take this time to honor my friend, Terry Lynch, and to wish him well upon his retirement from his position as Vice President of the Heat and Frost Insulators International. Mr. Lynch retired from his post at the end of 2016, and for his many years of service and expertise in the field, he is to be commended. Terry has devoted his life to the interests of men and women in the trades, and for his unwavering dedication, he is worthy of the highest praise.

Terry Lynch has served in numerous leadership roles throughout his illustrious career. In 1970, he began his apprenticeship with Asbestos Workers Local 17 in Chicago, Illinois, before receiving his journeyman card in 1974. In 1980, Terry was elected Vice President of Local 17, before being selected to serve as the union's Corresponding, Recording, and Financial Secretary in 1984. Terry served in this capacity until 1986 when he was elected Trustee for Local 17's health, welfare, pension, and annuity funds. He also served as chairman of those jointly trusted funds and for the joint apprenticeship training committee. In 1996, Mr. Lynch was chosen to serve as Business Manager of the Heat and Frost Insulators and Asbestos Workers Local 17. He was elected to the position from which he retired, International Vice President at Large, in September 2002. Moreover, Terry served the international union as Legislative and Political Director and Health Hazard Administrator.

Each and every day, Terry has cherished the honor and responsibility that comes with being an elected union leader. He has worked tirelessly to end the scourge of asbestos and to promote health initiatives to protect families impacted by mesothelioma and other asbestos-related health conditions. Terry has supported mechanical insulation, creating additional work opportunities for his fellow union members. Mr. Lynch is also a member and past admiral of the Pirates, a group comprised of individuals from union labor and management in Northwest Indiana dedicated to helping children with Down syndrome. Terry is truly an asset to the industry and to the community, and his passion and steadfast dedication serve as an inspiration to us all.

Terry's commitment to the community and his career is exceeded only by his devotion to

his amazing family. Terry and his loving wife of forty-seven years, Denise, have one son, Jason, and one grandson, Connor.

I am proud that Terry Lynch is my friend, and I cannot thank him enough for all that he has done for me over the years. I am even more grateful for what he has done for so many for so long, strangers and friends alike.

Mr. Speaker, I ask you and my other distinguished colleagues to join me in honoring Terry Lynch for his outstanding contributions to Local 17 and the Heat and Frost Insulators International, and to wish him well upon his retirement. For many years, Terry has displayed his unwavering loyalty to members of the insulator trades, and his numerous positions have provided him the opportunity to touch the lives of countless individuals.

IN HONOR OF DR. ANN K. SNYDER

HON. KEVIN BRADY

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 7, 2017

Mr. BRADY of Texas. Mr. Speaker, today I rise to honor the life of a dedicated community leader and a dear friend, Dr. Ann Snyder.

Ann's knowledge, faith, and understanding have always been her guide, which may explain her numerous accolades. A committed public servant, Ann served as President and CEO of Interfaith of The Woodlands and the Interfaith Community Clinic for over a decade. Today, she serves on The Woodlands Township and Convention and Visitors Center boards, as well as numerous others.

Ann earned her Bachelor of Science degree in Education from Colorado State University, her Master of Education degree from the University of Missouri at Columbia, and her Doctorate in Curriculum and Instruction from Baylor University.

Her past service as Chair of The Woodlands Area Chamber of Commerce, President of The Woodlands Rotary Board, and President of the National Charity League Board, in addition to her work on the boards of the YMCA, Friends of the Library, Junior League, and The Woodlands Junior Golf Association, perfectly illustrates why she was named one of Houston's Most Influential Women in 2015.

Our future leaders hold a special place in Ann's heart. Whether they were students in her classes at the University of Houston, budding scientists participating in the Education for Tomorrow Alliance 'science fairs, students in the Conroe Independent School District where she served on the Board of Trustees, and students at Lone Star College where she served on the facilities review committee. It is too numerous to name all the organizations Ann has helped faithfully guide.

A devoted member of The Woodlands United Methodist Church, Ann's many community honors include: Hometown Hero, Montgomery County Woman of Distinction, South Montgomery County Person of the Year, Citizen of the Year, Rotary International's Service-Above-Self Award, The Woodlands Paul Harris Award, Rotary Hall of Fame, and many more.

In 2013, the Conroe Independent School District ensured that future generations would know of her service by dedicating the Ann K. Snyder Elementary School. I am proud to recognize my friend and community hero, Ann
